Tracey	Modification #104 filed 6/30/23 to cure delinquency and provide for 3002.1 notice of fees for Ovation Services, LLC. Modification proposes to sell Debtor's homestead in May 2024. Plan is deficient and cannot be recommended because:  1. The Mod proposes to pay Cameron County a fixed payment over the next 12 months for interest accrued to date without providing any principal or interest payments over the next 12 months other than stating the claim will be paid at closing.  2. The Mod does not provide for the accrued interest of Ovation Services, LLC. The Plan provides for a fixed payment to Ovation Services over the next 12 months without providing any principal or interest payments other than stating that the claim will be paid at closing.  3. The house has not sold. No evidence of a contract on the house has been submitted to the Trustee and no application to employ a realtor has been filed with the Court. As the house is not scheduled to sell for another year, the liens on the house must be paid during this time for principal and interest. The Plan does not provide for the possibility that the house does not sell in a year.  Payments: 12 (Jun 2023) - 23 (May 2024): \$1,550.00 24 (Jun 2024) - 60 (Jun 2027): \$500.00  Post-Conf.
